2019 UW Women’s Health and Health Equity Research Lecture & Symposium

Thursday, October 3, 2019
7:30-10:45 a.m.
Health Sciences Learning Center (HSLC), Room 1325
750 Highland Avenue
Madison, WI 53705

Keynote: Tiffany Green, PhD

Tiffany Green, PhD, will join the University of Wisconsin—Madison in November as an Assistant Professor of Population Health Sciences and Obstetrics and Gynecology; as well as an affiliate of the Center for Demography and Ecology.

Dr. Green is a health economist and has conducted research and published widely on topics related to health equity, racial disparities, prenatal care, and infant and child health outcomes. She is currently an Assistant Professor at the Virginia Commonwealth University in the Department of Health Behavior and Policy. Before going to VCU, she completed UW-Madison postdoctoral training programs in population health (RWJF Health and Society Scholars Program) and health disparities research (NIH T32 Health Disparities Research Scholars Program).

Presentations:
• Heidi Brown, MD, MS, FACOG, Assistant Professor of Department of Obstetrics and Gynecology
• Sherry Zhang, PhD, Health Disparities Research Scholar
