Researcher Regulatory Fair

Are you involved in research and have questions like:

- What regulations apply to my research?
- How do I comply with the requirements?
- Do I have any regulatory concerns for my upcoming trip to China?
- When do I need to update my clinical research proposal?
- What sort of information do I need to report on my OAR?

Then, come to the Researcher Regulatory Fair

Meet with campus resources to help you address the needs of today’s ever changing regulatory environment

Tuesday October 29, 2019
11:00AM – 1:30PM
Union South, Varsity Hall

First 100 attendees receive a stress cow!
